1. Pretending you were going to start a Mary Kay business, would \$100 stand in your way?
2. If you could have, change or accomplish something in the next 6 months (not health related) what would it be?
3. Describe your ideal job. Not the job itself, but the QUALITY of that job:

In what you're doing now, how many of these do you have?

4. If you did not start a Mary Kay business, where would your life be in one year?
5. If you were to have extra money, how much money would make a difference to you?
6. Pretending you were going to do this business, how much time would you be willing to spend?
