Tell me about your values (Family/Friends/Faith/Career/Etc):

How do you define SUCCESS & what do you consider your best successes in life so far?

Is there a lesson from your childhood that has helped you become the success you are?

What are your Top 3 dreams or desires that you hope to accomplish in life & why are they of value to you?

What is Leadership to you?

When you bump up against an obstacle or find yourself frustrated – what methods do you use to move yourself back into a positive mindset?

When all is said and done ... is there anything specific that you would love to be remembered by?
